“All right come out your crazy dame” Wildcat

“To bad you can’t run as fast as the Flash. But to bad Jay Garrick speed wasn’t enough to stop me” A woman Said

She came out. She was a tall busty blond, dress in black leather. She showed off her arms with 22 inches’ biceps thick and big. The corset pushed up her breast that seem to be spilling out of her outfit. She was a beautiful blond bombshell. She was as dangerous as she was deadly. She had blond hair hanging over the side of her face. Her gloves were leather as well. On her belt was a gold symbol BB. The BLOND BOMBER. She was one of the deadliest villains out there. She smiled across her Ruby Red lips. Her eyes glint, showing her ocean blue eyes. In her helmet was flash helmet with the wings. It was dented with some blood on

“Guess you can’t run forever. Hope you as good a screamer as he was” The Blond Bomber

“You’re crazy skit. Going to show you”

He went to punch her in the stomach. She was taller than him. He was punch him as hard as he could in her hard six pack abs. Her abs were hard as steal. His fist was bleeding as she was punching him. She laughed her big breast shaking back and fourth

“Silly little man” She laughed

She punches him in the stomach and lifted him up in the air. She slammed his face into her tits smothering him. He tried to fight, but he couldn’t escape her fleshy prison. She felt the power of complete control. His legs went limp and then his arms. She tossed him down on the ground. The Blond Bomber ripped his clothes off and slapped him awake. She ran her hands down his body and was punching him again and again. Blood splattered at him

“Please no more” He Said

She zipped open her top showing her large G cup tits. She made then bounce up and down with her

pectoral muscles

“What was that boy” She Said

“Please MERCY” Wildcat Said “Mercy your horrible woman”

She smirked and rubbed her hands across his face. The tape was paused. An old woman watch from her sick bed

The woman named was Lisa Hamilton. She been a lounge singer, Dominatrix and spy for multiple sides. But she truly hit it big when an Asteroid hit her giving her amazing powers. God like abilities. Through the decades, she became one the deadliest villains, fighting super heroes, taking over the criminal underworld. She ruled the criminal underworld with an iron fist. She took what she wanted, fuck who she wanted. She never asked for permission. But time always caught up with her. The radiation from the first asteroid was poisoning her once she gotten older. All her power couldn't stop age

“You were truly magnificent Grandmother” Her Grandson said

His name Jerry Hamilton. He was in complete love with his Grandmother. Worship her when other members of his family thought she was the black sheep due to her villainy

“To bad the other family don't think so. It put food on the table with my work. Robbing banks, made them a fortune. They eat the omelet but don't like the eggs I make”

“Their fools Grandmother” He Said

“is it wrong that I enjoy breaking those eggs” Lisa Said

“No way Grandmother” Henry Said feeing her

When he found out about her. He searches for memorabilia of her. Found her trophy room her tapes. It brought him through puberty. He always been a weak boy. Seeing the films of this strong magician woman was amazing to him. He was skinny with wire brim glass and wild hair. He wore a lab coat due to working all night. He was weak but his mind was strong. Maybe one of the smartest men out there. Least in metahuman science he was.

“You deserve better lodgings then this lab” He Said

“Cost of being on the run I am afraid” She Said

“What if I can change that, reverse the clock”

“Does my little mad scientist son have something in mind” Lisa Said coughing

Her body was small and weak. She had gray hair. No one from looking at her would know she was one of the most dangerous women out there

"I found a way to suck out people's skills, intelligence and strength but none of their weakness. It took me years but I figured out a way" He said

He showed a metal ball with a red light around it. She had the ball float in the air.

"This sucks the life force out of people and can transform it into you. I made multiple balls like this for you to use"

"Ahhh but who is our test subject: Lisa said

"Which one do you want. We can get some muscle guy from Craigslist"

"Ohhh no my Darling boy. I want the top of the line. I want the BATMAN"

"That's hard to get. He lives in the shadows" He said

"Ahhhhhhhhhhh my dear boy. You just must be brilliant" She said "Which you are. But you also must be devious. Which I am"

Later. He was pushing his mother out into Crime Alley in Gotham. She had the device her son made for him in her hands.

"Ok I check the times Batman flies by and the areas from reports. He has been seen here, around this time. We just got to get his attention"

"Don't worry my Dear I will" She said

She told him to go and hide in the shadows. She told him to get ready call the cops. She was wheeling around on her chair carrying her purse. She saw a local group of Ruffians in leather jackets and spiked hair

"Pardon me young lads can you help an old lady" She said

"FUCK up your dumb broad." One of them said

There were three people. One of them had a mohawk and several piercings on his nose and ears. His name was Zeek. The second one was a big burly guy with spikey red hair. He had a tattoo on his face. His nails were black. He was a tall brick of a man. He had a knife in his pocket. His name was John. The third one was Donnie. He was a black male with a bunch of tattoos on his arm. He had a tight shirt and some gun on his holster. He was the leader of the group

"Ohhh dear" She said

She dropped her purse and diamonds spilled out. It was diamonds from a robbery that she did back in the 40's. The men came by. They smiled

“Think we should help her boys” Donnie Said

“Yea help the bitch die” John Said

Henry called the cops and told them there was a robbery of a lady. He embellished added that the men were sexual violating her. Batman was driving by in the Bat Mobile. He heard the new son the police scanners. Police normally didn't go to the neighborhood. If they did they took their sweet time

“Should I tell the Wayne Shareholders you be late Again sir” Alfred Said over the intercom

“No I might be able to make this one. Only 3 attackers this time”

“Then should I be calling the Hospital to open three beds”

“Now that you may want to do” He Said gruffly

The car moved like a bat in the night. It was sleek and dark, shaping into the shadows and getting lost. The rocket boost was quiet as is roared passed the dark street and into the dark alleys. It rode up the building, expanding its wings gliding across the sky. It landed hard on the ground bouncing a bit. He cut on a heat vision of the car windows and looked through some the building and saw 3 men around a body in a wheel chair. He could tell by the beats of the men hearts that they were young and the women was old and sick. There was a slight radiation signal in picked up. He could tell what weapon they had when he changes it to X-ray mode. Donnie had two guns. Zeek had a had a baseball bat. John had his knife. Batman knew the guy with the gun had to be taken outfit. The car stomped like a dime. He pressed a button to catapult himself out of the car with the force off the car. He flew toward Donnie

“Give me your money lady” Donnie Said

A kicked to the face broke his Jaw and knocked him several feet back. He slammed her elbow into Johns neck making him choke. His foot cracked Zeeks foot. He grabbed the bat. John was grabbing for his neck and didn't guard him arm. The bat hit the arm with the knife in drop pig. It then hit the back of Zeeks head knocking him out. The bat was tossed at Donnie chest break a few ribs when he tried to grab for his gun. Lisa admire the skills. Batman kicked Donnie in the face knocking him out. “Be Right back boy” She Said and shot the Gatling gun into the air
